23rd April 2021

Dear Parents/ Carers

Re: PSHE Consultation Questions (available on the school app)

Please complete the questionnaire on the school app or if this is not an option for you please email your response to vicki.cooper@carrhead.lancs.sch.uk with PSHE Consultation Response as the subject.

1. Currently not taught in school, do you consider it appropriate to teach primary school pupils about sexual intercourse as part of the human reproduction life cycle?
2. On a scale of 1-10 (1 not important and 10 essential) how important do you consider it for pupils to be taught the main parts of the body (including correct terminology for external sex organs) and the bodily differences between boys and girls in an age-appropriate manner?
3. Currently taught at our school in Years 5 and 6, but potentially moving to Year 4, at what age do you consider it appropriate for pupils to be initially taught the male and female changes associated with puberty, including menstruation?
4. On a scale of 1-10 (1 not important and 10 essential) how important do you consider it for pupils to be taught that differences arise from a number of factors including: family, cultural, ethnic, racial, religious diversity, gender identity, sexual orientation, and disability?
5. Are there any changes or additions that you feel should be made to the proposed policy?
6. Are there any changes or additions that you feel should be made to the proposed curriculum overview?

The consultation period will close on 7th May 2021.

With warmest wishes,

Angeli Slack
Headteacher
